<p>In Olmsted County, there are currently 90 licensed homes. Please call: Ellen Turner at 328-6375 for more information.</p>	<p>There are openings in a variety of settings, please call for details</p>	<p>Adult Foster Care is a supervised living arrangement, operated from a licensed residence for up to 5 adults. Services provided include food, lodging, protection, supervision, and household services. Additional services provided may include personal care, medication management, transportation, and assistance with daily living skills. The goal of adult foster care is to promote family living, while encouraging independence. Each home is unique in what it offers, depending on the level of care each client requires. The clients in adult foster care range from being very independent, to requiring hospice level care.</p>	<p>Ellen Turner</p>	<p>03/13/2009</p>
