All of us want to live in thriving communities with **quality education, good health, and strong financial stability** – where people lead happy lives.

When we **LIVE UNITED**, we change the odds for thousands of children, adults, families, and ultimately, our communities.

United Way builds **stronger communities** by identifying and implementing solutions that improve lives.

We focus on **local solutions** to create lasting change by encouraging leaders and organizations from all sectors to work together.

Your community needs your support to create a better, thriving community for all. United Way solves problems no one person or organization can solve alone.

Join with United Way and **be part of something greater than yourself.**

That's what it means to **LIVE UNITED**.
