

April 24, 2010 – 9:30 – 11:00 am

An Open House event focusing on literacy, nature and school readiness for 3 year olds and families currently enrolled in the Imagination Library

WLC volunteers helped with activities, check-in and lunch for Imagination Library 3 year olds and their family members who came to enjoy a morning designed just for them. Partnering organizations included United Way of Olmsted County, Rochester Public Library, PAIRR, First Steps, Quarry Hill Nature Center, and Childcare Resource and Referral.

February 5 and 6, 2010

Give Kids a Smile is a charitable outreach program coordinated in the state by the Minnesota Dental Association (MDA). The program originated six years ago with the American Dental Association. It is one of the ways in which the MDA serves as a leader in meeting dental access needs of the underserved.

WLC members volunteered on Give Kids a Smile Day at The Salvation Army Good Samaritan Dental Health Clinic where children came for dental checkups and screenings as part of this national event sponsored by the American Dental Association.
