

BOLDLY WE UNITE.

UNITED WE FIGHT, AND UNITED WE WIN!

There is **BOLDNESS** in all of us. And when we **LIVE UNITED** we can take on the critical problems in our community. In the right circumstances we can ignite that boldness to pull ourselves up or extend a hand to someone else. By providing people the tools to succeed, we can do more than help one person overcome the odds.

United Way
of Olmsted County

BOLDLY we unite. **UNITED** we fight for individuals in need, and **UNITED** we win for **ALL**. We have one life. To live better we must be **BOLD**, we must **LIVE UNITED**.
